

# A Birthday Party

Level: A2 Topic: Celebrations

Last Saturday, I celebrated my birthday with a party. I invited my friends to my house. We decorated the living room with balloons and streamers. My mom made a big chocolate cake. Everyone loved the cake! We played games like musical chairs and pin the tail on the donkey. After that, we opened presents. I received toys and books. My friends also brought me nice gifts. We took many pictures together. At the end of the party, we enjoyed the cake and sang happy birthday. It was a fun day, and I felt very happy to be with my friends.
