A Day at the Park

Level: A2 Topic: Leisure Activities

On Saturday, I went to the park with my friends. The sun was shining, and the weather was warm. We played soccer and had a picnic. My friend Sarah brought sandwiches and drinks. We laughed and enjoyed our time. After lunch, we walked around the park and saw many flowers. There were also ducks in the pond. We fed them some bread. It was a fun day, and I felt happy to spend time with my friends.
