

A Day at the Park

Level: A2 Topic: Leisure Activities

Today is a sunny day, and Maria and her friends go to the park. They bring a picnic with sandwiches, fruit, and juice. At the park, they see many people. Some are playing football, others are walking their dogs. Maria and her friends find a nice spot under a big tree. They eat their picnic and talk about their favorite games. After lunch, they decide to play frisbee. Maria throws the frisbee to her friend, Tom. He catches it easily. They laugh and have fun. Later, they walk around the park and see beautiful flowers and birds. Maria loves spending time outdoors. She feels happy and relaxed.
