

# Going to the Supermarket

Level: A2 Topic: Shopping

Every Saturday, I go to the supermarket to buy food for the week. I make a list of items I need, like fruits, vegetables, bread, and milk. When I arrive, I take a shopping cart and start in the fruit section. I pick apples, bananas, and oranges. Then, I go to the vegetable aisle and choose carrots and potatoes. After that, I buy bread and milk. Sometimes, I see my friends at the supermarket, and we say hello. When I finish shopping, I pay for my items and go home. I enjoy shopping because I like to choose fresh food.
