My Best Friend

Level: A2 Topic: Friendship

My best friend is Alex. We met in school when we were both in the first grade. Alex is very funny and kind. We like to play soccer together after school. Sometimes, we go to the movies or ride our bikes in the park. Alex helps me with my homework, and I help him, too. We share secrets and laugh a lot. On weekends, we often have sleepovers at each other's houses. We play video games and eat snacks. I feel lucky to have a friend like Alex. We always support each other and have a great time together.
