

Shopping for Groceries

Level: A2 Topic: Shopping

Anna goes to the grocery store to buy food for the week. She makes a list before she leaves. The list includes fruits, vegetables, and some snacks. At the store, she first goes to the fruit section. She buys apples, bananas, and oranges. Then, she goes to the vegetable aisle. She picks up carrots, broccoli, and potatoes. Next, Anna goes to the snack aisle. She chooses some chips and cookies. After shopping, Anna goes to the cashier to pay. She puts her items on the counter. The cashier scans each item and tells Anna the total price. Anna pays with cash and takes her shopping bag. She feels happy because she has everything she needs for the week. On her way home, she thinks about what to cook for dinner.
